Personal information

Date of birth: 08.12.1973
Place of birth: Bergen, Norway

Nationality: Norwegian
Gender: Male

Education

2007-2011	PhD at Centre for Medieval Studies, University of Bergen. Dissertation: Burial practices in early Christian Norway. An osteoarchaeological study into differences and similarities between four burial assemblages.
2001-2003	MSc in Forensic and Biological Anthropology at Bournemouth University, Bournemouth, England. Dissertation: Bilateral asymmetry as a means of reassembling commingled human remains: a study of the long bones of the upper and lower limbs.
1998-2001	BA in Archaeology and Palaeoanthropology at the University of New England, Armidale, Australia.
1996	Nordic Archaeology (grunnfag) at the University of Bergen, Norway.
1995	Examen Philosophicum at the University of Bergen, Norway.

Courses

09.2019-04.2020	Cappelen Damm: Krimforfatterskolen (2. Klasse)
12-14.12.2011	Three day private course taught by professor George Maat at Leiden University, The Netherlands. The course dealt with different techniques and uses for bone histology.
17.11-21.11.2006	Inforce mass fatality incident mortuary workshop, organised by the Inforce foundation.

Work experience

Ongoing	CEO Kulturminnekompetanse AS
Ongoing	www.småprodusenten.no
Ongoing	I assist the police and the Gade Institute, at the University of Bergen, with the examination of human skeletal remains found in forensic contexts.
01.03.-01.06.2017	Researcher at the Centre for the Study of the Sciences and the Humanities

01.01.2013-19.04.2016	Post-doc at the Department of Archaeology, History, Cultural Studies and Religion, University of Bergen. Project title: Immigration and mobility in mediaeval and post-mediaeval Norway
12.03.-12.10.2012	Researcher at the Centre for Medieval Studies, University of Bergen.
02.-20.05.2011	Osteoarchaeologist for the archaeological excavations carried out as part of the "The emergence of micro-Christendoms at 'the edge of the world' around AD 1000: The Romsdal case" research project.
2007-2011	Doctoral researcher at the University of Bergen.
2007-2013	Forensic anthropologist for the Kaprolat committee at the University of Bergen, working with the identification of Norwegian soldiers who fell during a battle in Russian Karelia in WWII.
2006-2013	I started my own consultancy: Forensic and Osteoarchaeological Services. Through this, I have carried out osteological work for the Natural History Museum in Bergen, for the Kaprolat committee at the University of Bergen, and I have on several occasions done work for the Bergen and Hordaland police department.
11.2001-05.2002	Osteological technician at Bournemouth University.
1995-2005	During this period, I worked for several periods in the food preparation industry as a chef and baker, about thirty months in total.
1993-2003	During this period, I worked eight months as a field assistant on different archaeological excavations in Norway and Austria.

Supervision

I have previously supervised two osteoarchaeological master projects at the University of Bergen; final marks: A and B.

Teaching

Spring 2020	AHKR300: Forskningsetikk (2 full days), University of Bergen.
Spring 2018	ARK214: Isotopes and DNA in archaeology (2 hours), University of Bergen.
Autumn 2017 & 2018	ARK4070: Isotope analyses (5 hours), University of Oslo.

Grants

NFFO (2019)(Norsk Faglitterær Forfatter og Oversetterforening). Grant number: 454469. Grant amount: 135.000

Norwegian Research Council. Grant number: 249145. Grant amount NOK 585.000

Funding for an international conference and for a museum exhibition.

Norwegian Research Council. Grant number: 220821. Grant amount NOK 4.300.000

Project title: Immigration and mobility in mediaeval and post-mediaeval Norway.

Oral presentations
28.09.2020. Skjeletter og sykdomshistorie. <i>Helse, sjukdomar og medisinsk behandling i Norden i vikingtid og mellomalder</i> . Conference at Det Norske Videnskaps-Akademi: 28-29.09.2020.
17.06.2019. Hull i hodet: Et vindu til mer enn sykdomshistorie. Presentation at <i>Nettverksmøte, Nasjonalt Medisinhistorisk museumsnettverk</i> , held at Pleiestiftelsen in Bergen.
31.08.2017. Combining disciplines to better understand the population in medieval Trondheim, Norway. Presentation part of the session "The power of populations: Integrating bioarchaeological and historical methods for the assessment of our medieval past" at the EAA conference in Maastricht, The Netherlands, 30 th August – 3 rd September, 2017.
22.05.2017. What does a DNA profile say about a person? <i>DNA and identity. History written in the genes?</i> Presentation and debate at Kulturhuset in Oslo.

08.12.2016. Forskningsformidling! Hvorfor og hvordan. Seminar Bryggens museum: <i>Middelalderarkeologi i Bergen – sett i et tverrinstitusjonelt perspektiv</i> .
02.12.2016. Ny utstilling! Trenger vi skjeletter?. Seminar arrangert av forskningsetiske komiteer: <i>Forskningsetiske perspektiver på menneskelige levninger - forskning, forvaltning og formidling</i> .
07.11.2016. Hvor kommer du fra? Foredrag på elevkonferansen « <i>Felles Fremtid</i> » ved Laksevåg videregående skole.
26.04.2016. Skjeletter, isotoper og DNA. Tre livshistorier fra 1200-tallets Trondheim. <i>Foredrag for Senioruniversitetet i Åsane</i> .
03.10.2016. <i>Tre livshistorier fra 1200-tallet</i> . Mandagsforedrag på Bryggens Museum.
19.04.2016. Rundt år 1250 kom det en jente til Trondheim; en livshistorie om forflytning og innvandring. <i>Christiekonferansen</i> , University of Bergen.
30.03.2016. Mobility in pre-modern Trondheim, Norway, based on stable oxygen isotope analyses. Paper at the conference <i>Multidisciplinary approaches to improving our understanding of immigration and mobility in pre-modern Scandinavia (1000-1900)</i> , at University of Bergen.
11.03.2016. Isotoper og DNA, med mere. Tre livshistorier fra 1200-tallets Trondheim. <i>Arkeologisk forskningsseminar</i> , University of Bergen.
28.05.2015. Immigration and mobility in pre-modern Trondheim. Paper at the conference <i>Urban topographies and networks, Northern Europe 800-1600</i> , at University of Bergen.
22.11.2013. Pre-modern immigration in Norway. Lecture at the institute of forensic medicine at the University of Innsbruck.
29.05.2012. <i>Identifiseringsarbeidet i Falstadskogen</i> . Seminar at Falstadsenteret in connection with the opening of the exhibition "Gravene i Falstadskogen".
13.04.2011. <i>Klostrene og de syke</i> . Fragments from the past, lecture series, Bergen Museum.
01.11.2010. <i>From body to bones to society: The influence of taphonomy</i> . CMS theory of science seminar.
06.05.2010. <i>Burial practices in early Christian Norway</i> . The birth of Christian life in the Nordic region, conference, Bryggen Museum, Bergen.
18.11.2009. <i>Burial practices in early Christian Norway</i> . Odense Occasional Osteology Seminar no. XXV. University of Southern Denmark, Odense.
12.12.2008. <i>Leprosy: definition, development and treatment</i> . CMS Christmas seminar.

Selected media appearances
Interviewed for article in Forskerforum, January 2018: Kom skrive lyst og treng deg på.
Scientific expert in the NRK Newton program "Tennene dine avslører deg!" 16.10.2016.
Interviewed for UiB Magasinet, 19.04.2016. <i>Skjeletter forteller historier</i> .
Interviewed for the radio program "Ekko", NRK P2, 18.04.2016. <i>Gamle skjeletter</i> .
Guest of the day (Dagens gjest) on the radio program "Her og nå", NRK P1, 30.03.2016.
Conferences/workshops organised
Co-organisør of workshop in Visby, Gotland, Sweden, 8 th – 10 th May 2017: <i>Migration, cultural encounters, and heritage</i> .
Sole organiser of the conference <i>Multidisciplinary approaches to improving our understanding of immigration and</i>

mobility in pre-modern Scandinavia (1000-1900). Held at Bryggens Museum in Bergen, Norway on the 30th-31st March 2016.

Exhibitions

Scientific advisor for the exhibition "From where do you hail?" ("Hvor kommer du fra?") at Bryggens museum in Bergen, Norway, 30th September 2016 to 13th August 2017. The exhibition was based on my ideas and my research.

Languages

Norwegian	Speak, read and write fluently (as a consequence of being a native speaker of the Norwegian language, I also read and communicate in the Swedish and Danish languages perfectly well).
English	Speak, read and write fluently.
German	Speak, read and write on a useful level.
French	Speak, read and write on a useful level.
